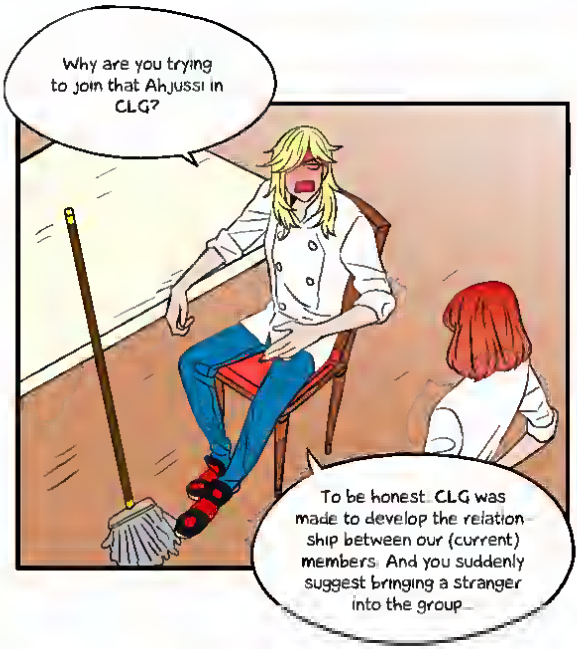
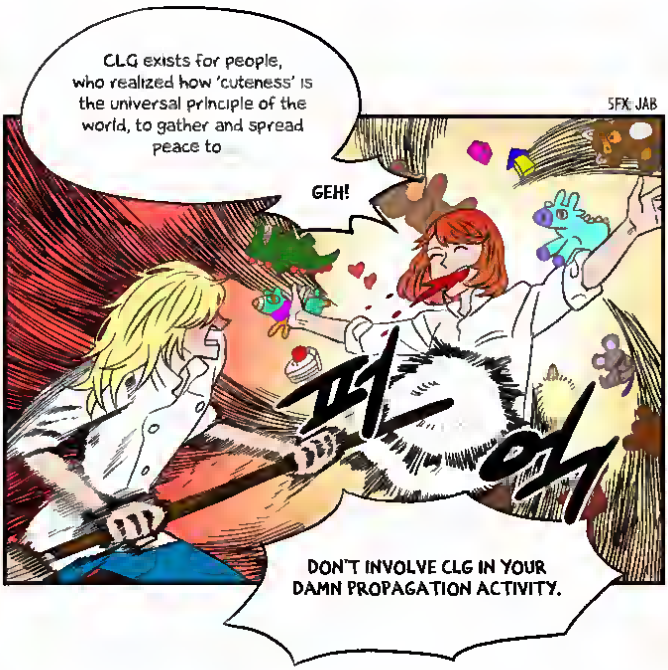
Hey, Kang Aram.
Really, what were you thinking?

....
What?
WHAT DO YOU MEAN WHAT?! YOU TRIED TO MAKE THAT GORILLA TO JOIN THE CLG! YOU GOLDFISH!
Ah, ah~



Why are you trying to join that Ahjussi in CLG?
To be honest.. CLG was made to develop the relation-ship between our (current) members. And you suddenly suggest bringing a stranger into the group...

Tsk, tsk-
How dare you?!
You know...



CLG exists for people, who realized how 'cuteness' is the universal principle of the world, to gather and spread peace to...
SFX: JAB
GEH!
DON'T INVOLVE CLG IN YOUR DAMN PROPAGATION ACTIVITY.

You, you don't know where that Ahjussi lives, or where he works, do you? Right?
What if we let an outsider join recklessly and something problematic happens to CLG, are you going to take responsibility?
Buttt stilll~~

I feel bad vibes from that Ahjussi. I will never agree to him joining!
....

I thought SeeWoo, you of all people, would understand

I'm sure that after you finished your hard labor, you took the doll Aram gave you and joyfully went home.

So I went in... Teddy was already rescued But then So it got ripped
That Ahjussi subdued the robbers and got teddy back, but accidentally Teddy got ripped in the process, is that what you're saying?

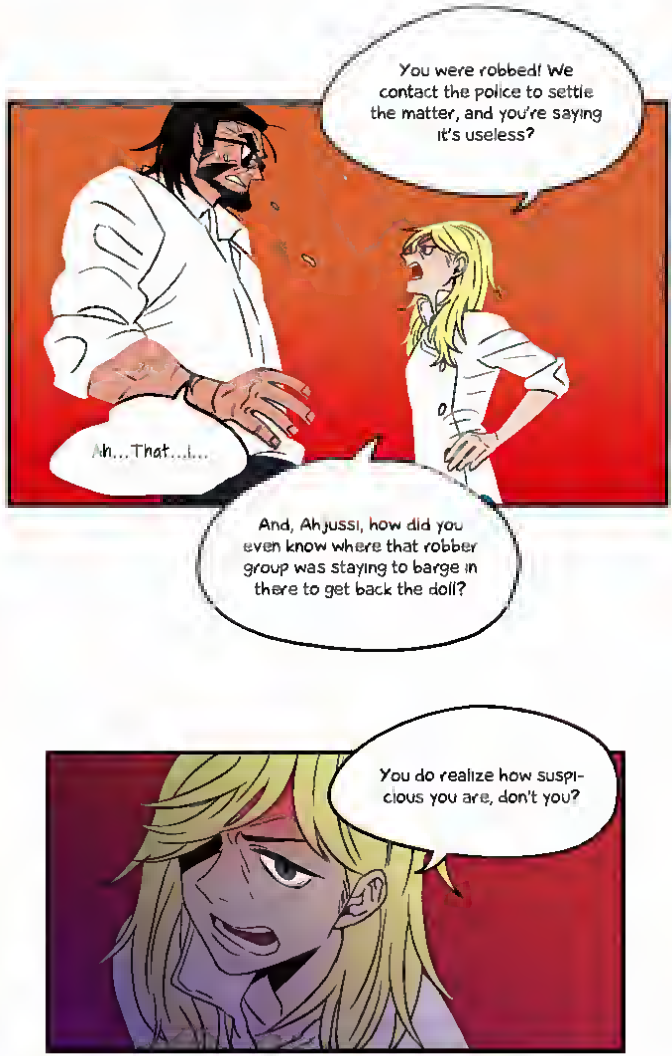
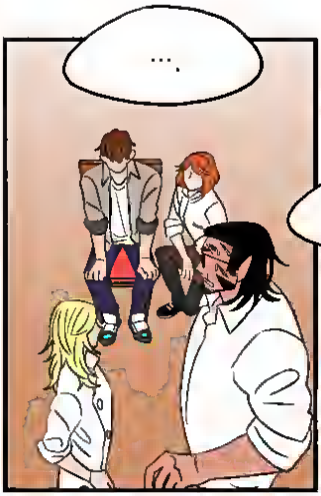
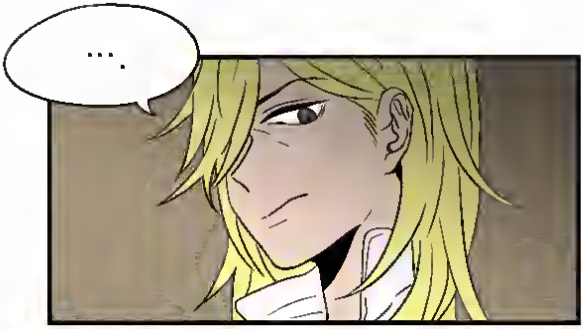
What did you say?



You were robbed! We contact the police to settle the matter, and you're saying it's useless?
Ah...That...i...
And, Ahjussi, how did you even know where that robber group was staying to barge in there to get back the doll?
You do realize how suspicious you are, don't you?

SeeWoo!





....

You're right

Go back safely! You both had a tough time today, so go have some good rest when you get back home!
I will talk to Ahjussi about it later!

SeeWoo, goodbye, too. SeeWoo? Hey, Lee SeeWooooo!
Are you angry? Aren't you gonna say goodbye?
...

Sigh, SeeWoo acts like the coolest person on earth yet gets so easily angry, aren't I right? So narrow-minded, really.. Can never be understanding

It's okay! I just have to get hit for a few times later.

I think we have to reattach the head and also make new clothes .. Ignoring the rip, it became really dirty.

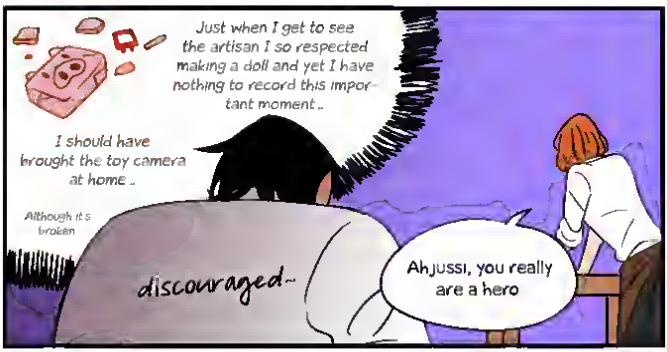
Ahhh .. I want to record this moment



Just when I get to see the artisan I so respected making a doll and yet I have nothing to record this important moment ..
I should have brought the toy camera at home ..
Although it's broken
discouraged..
Ah Jussi, you really are a hero

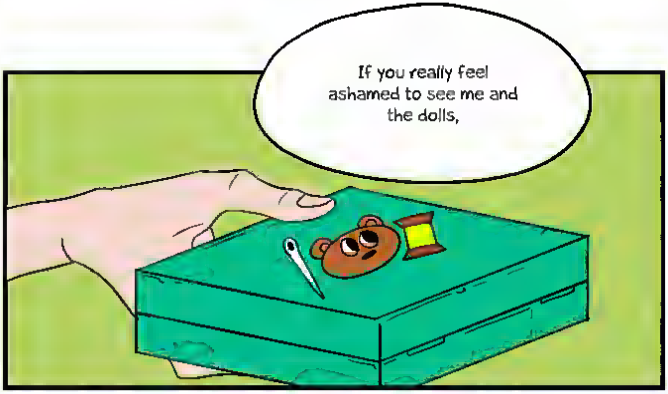
Yes?
Your home was robbed. But just to save this little one you followed these robbers and rescued him, what else can you be if not a hero?
Ah that's because... It...It was the only thing that survived that I could safely rescue

But a_ all the dolls I was collecting till now... They're all destroyed
I was with them since the first series... I...I feel so sorry for them to become like that b...because of me.

Perhaps
_it's because I have such a non-fitting hobby that t_this happened.. I have no face to show Aram-ssi and my babies

I am t_thinking of quitting

Why do you think like that?
At this time, you should focus on figuring out a way to find a better and meticulous way of crime prevention system, not on how to give up on your hobby of collecting! For example, our house has the latest security lock on the entrance door and the windows and it even has CCTV cameras at every entrance!
realization
Am I getting scolded?



If you really feel ashamed to see me and the dolls,

then as a way of apology,
Ahjussi should fix Bad Teddy.
You can do it,
right?
